# ECOLCELL SW OFFSHORE ELECTROCHLORINATION PACKAGE (ECP)

More than 60th years of electrochlorination.  
What about us?

ECOLCELL SW DUAL OFFSHORE

**ACG is leader in electrochlorination systems since 1947.**  
**ACG operates according to FEED ( Front End Engineering Design).**

## ACG Services:

- ECP engineering (according client requests)**
- ECP P&ID and document preparation**
- Supply equipment and instrument specifications**
- Hydrogen by-product management**
- Hazardous Area assessments**
- ECP production**
- ECP testing ( in accordance with ISO 9001:2008)**
- Commissioning / Problem resolution**

**2 x 4 KgCl<sub>2</sub> /h Electrolyser Module**  
**ATEX II 2G Exd IIC T6**  
**Offshore Installation**
